THE FINANCIAL REPORT OF THE CLASS OF '59

Remember the first day of high school . . . we were ambitious, excited, eager . . . they took our \$7 and sent us home . . .

Every book had to be covered ... there were UVM covers for 5 cents, but for another 7 cents we bought real Cathedral covers ...

Weren't we shocked when test time rolled around and we had to pay 3 cents for each exam . . .

Remember the first day those little white books were passed out and those immortal words uttered, "Everyone will be responsible for the sale of one book of chances" . . . Remember the 10 cent chewing tax on a penny piece of gum (and they still wouldn't let us chew it) . . .

Ours was a lending library . . . that is, one of your friends would lend you the money to pay your fine . . .

Oh well! We never had to worry about lugging any heavy money around . . . there was always a collection for something or other . . . birthday cakes, sunshine baskets, get-well cards . . .

Ah, yes!! Senior Privileges! Merit scholarship exam \$1, I.Q. Test \$1, Mathematics Achievement Test 30 cents, Scholarship Qualifying Test \$1, College Entrance Examination Boards \$7...

Well, this year we moved into our brand new high school, the last word in education . . . and now we realize . . . that's where our money went !!

(Any similarity to actual events, past or present, is wholly intentional, i.e., it is our holy intention.)

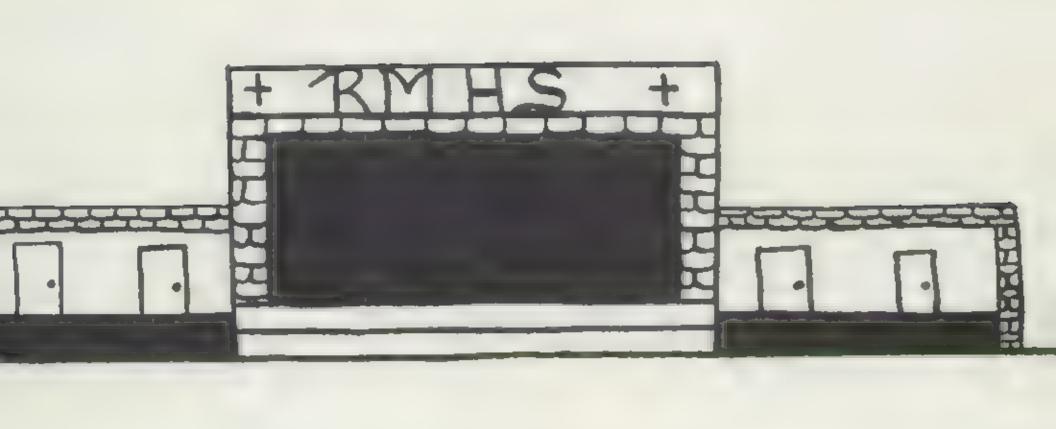

Financially yours,

DR. JOSEPH LECHNYR

No school curriculum is really complete unless it can boast of a course in fine music

For years, Cathedral has had the benefit of the great skill, and expert guidance of a wonderful music director Dr. Lechnyr, laboring under the many difficulties resulting from lack of time and space, has never failed to turn out a music section that we could well be proud of

To you, Dr. Lechnyr, we give our heartfelt thanks

MRS. CLARICE LEAMY

What is music without accompaniment and what is accompaniment without the cheerful similing face of Mrs Leamy. Whether we are laboring over tedious scales, or putting together a complicated work of Franz Liszt, she is always patient and understanding. Many of herefree hours have been given over to All-State, and she has always been ready to help us with any problem

Thank you, Mrs. Learny, for your kindness and hard

SENIOR GIRLS' SODALITY

This year the Girls' Sodality under the direction of Sr. Mary Peter sponsored many activities

They witnessed the opening of the Sodality year with a day of recollection for Sodalists and those interested A few weeks later, officers were elected and the work was started

Merrings were held monthly and a daily recitation of the office was established. Posters were made to emphasize Catholic Youth Week and Church Unity Octave. At Christmas, girls distributed gifts to old and poor ladies, who were very grateful. Other activities included an enjoyable Prom, a Catholic Press exhibit, a vocation month project, a May Crowning, and for the Seniors, a trip to Our Lady's Shrine at Enfield, N. H. This year the Sodality committees sponsored a Mother-Daughter Tea various Lenten projects, visitation of the sick and volunteer hospital work. Our newspaper, 'Spotlite' was issued once a month

We hope that next year's Sodality will have a year as profitable as our has been

SEATED, left to right: Joan English, prefect; Sister Mary Peters; Laurette Dion, vice-prefect. STANDING: Kathleen Mahaney, secretary; Marie Lepicier, sacristan; Monica Simon treasurer

SOPHOMORE GIRLS' SODALITY

A Sophomore Sodality was organized as part of the Girls' Sodality this year. It was intended to be mainly a year of instruction and review of Sodality rules and privileges. These Sodalists and aspirants also worked with the Junior and Senior Sodalists on their projects. In this way we hope to form more perfect Sodalists in the future.

OFFICERS-SEATED Susan O' Hagan, Suzanne Audette STANDING: Carol LaValey, Bernadette Handy

THE BOYS' SODALITY

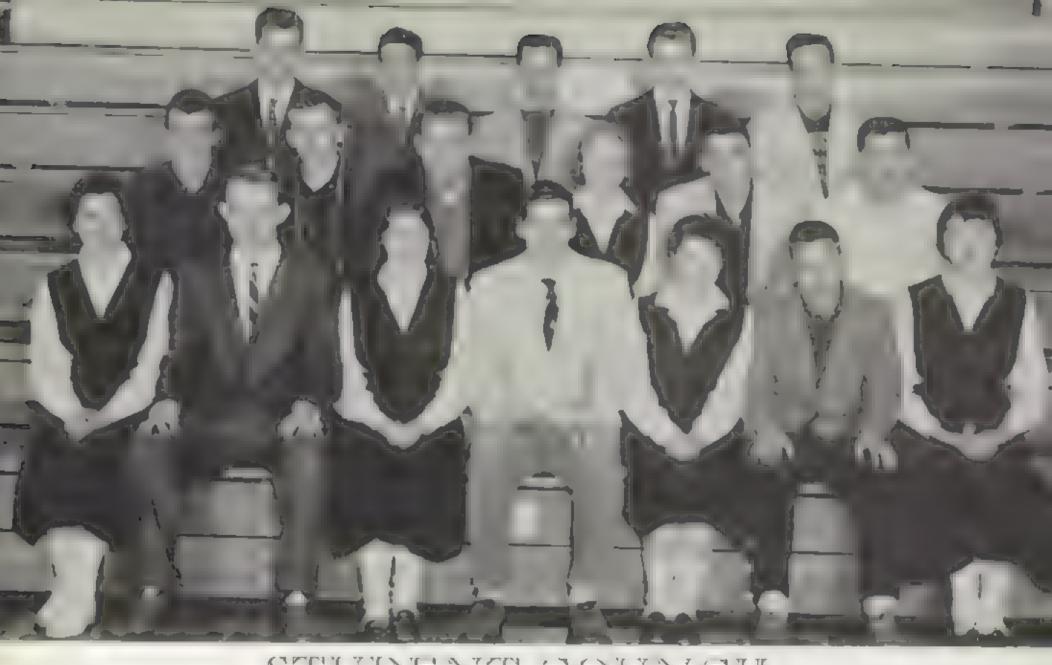

Can you imagine how dull study hall would be without a candy break? And when you know the profit will go to a worthy cause, it makes it even more enjoyable. The Boys' Sodality, seeing both of these ad vantages undertook this activity to raise funds. They also cooperated with the Girls' Sodality in making "Spotlite" a success, observed Catholic Youth Week with an essay contest on the subject "Youth, Space, and Sanctity," and worked with the Girls' Sodality in presenting a successful prom. They filled out their agenda this year with a tag day play and dance

SEATED left to right Prefect William Ready, Father Searles, vice, relief lines Cases STANDING Treasurer Thomas Luck, sacraistan Timothee Tessier, secretary Raymond Houle

STUDENT COUNCIL

On the agenda of the Student Council this year was the symbolic task of transferring the newly polished trophies from their old home at Cathedral to the new show cases at Rice. Some of their other very useful jobs in cluded the management of the student store and other little things which made the transition from C.H.S. to R.M.H.S. easier and more efficient. Along the social line they sponsored weekly socials, the annual Christmas dance and other worthwhile entertainment

BOYS' AND GIRLS' STATE

Looking forward!

On June 15, 1958, the Sixteenth Annual Session of Green Mountain Boys' and Girls' State was convened. During our week at this model state, we learned how to become better citizens and better friends by participating in civic and social activities

We are grateful to the American Legion and the other sponsoring organizations for making possible this wonderful experience

STUNT NITE

SENIORS

Placing first for the third year in a row, this year's seniors were justly proud of their "Class Reunion." Remember funny "Josephine," "Sweet Georgia Brown" and how the band brought down the house with "Marie." This will be a fond memory of the parting class of "59."

JUNIORS

The class of "60" took no prize, but gave everyone more than a little scare. The unusual shadow dancing of the "Poor People of Paris" will be remembered as the height of their travelogue along with those coy tail-wagging Siamese cats

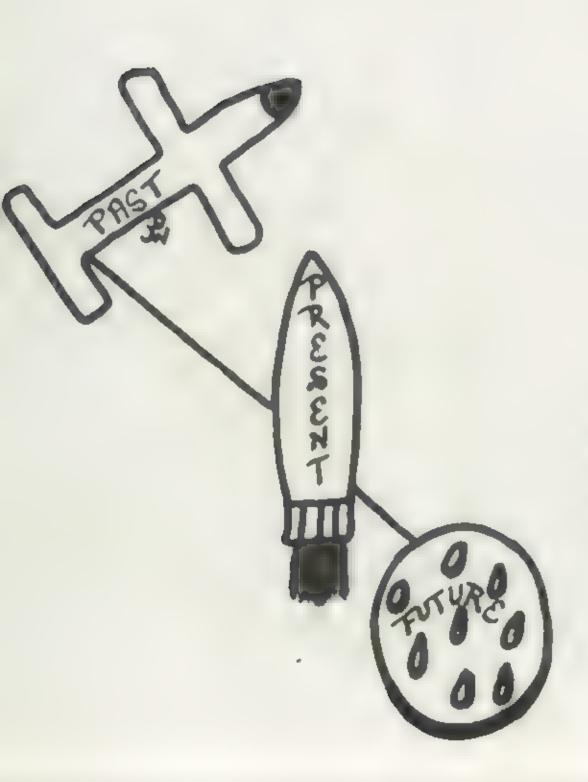

SOPHOMORES

Along came the Sophomores who with one year of ex-

perience behind them, marched off with second prize. Their

"Twelve Months of the Year" was delightfully done. Every-

one will long remember the hauntingly beautiful strains of

the "Ave Marie

TRESHMAN

The Freshmen started off this year with the "Past. Present, and Future." Although the class did not take a prize the beautiful costumes of a king's court in the past were a treat not soon forgotten, especially when mingled with those singing cowpokes of the present.

MR. RAYMOND TAFRATE

MR. THOMAS ALBERICO

COACH BILL LANDERS

It gives us great pleasure to dedicate this section of our yearbook to the three men, Coach Landers, Mr. Tatate, and Mr. Alberie who have given unselfishly of their time and effort to helping us. They have guided us both on, and off the field. For these reasons, we feel that they deserve our sincere thanks.

RIFLE TEAM

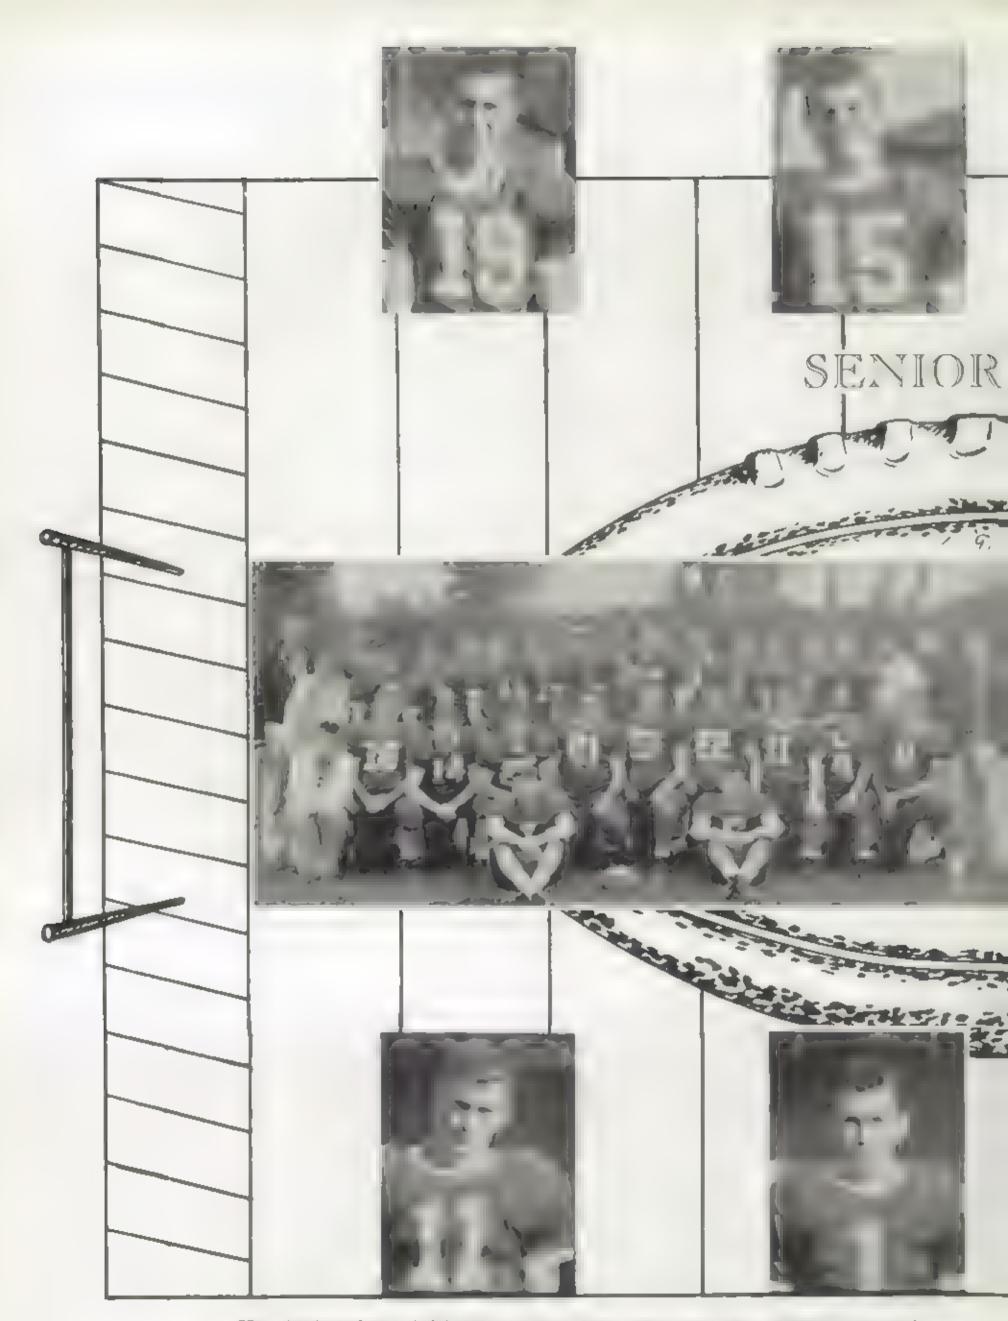

Riflery is an interesting sport which not only teaches safety in firearms, but is also fascinating, challenging, and very much fun. It brings out those qualities of sportsmanship, fair play, self-control, and cooperation so essential to success in life

Rice Memorial's Rifle Team is a rapidly growing activity. Our team participates in postal matches with high schools as far away as Colorado Springs and as near as our city rival, Burlington High School. Among the other challengers are West Philadelphia Catholic High School in Pennsylvania, Bangor High School in Maine, Dover High School in New Hampshire, and Northfield High School here in Vermont

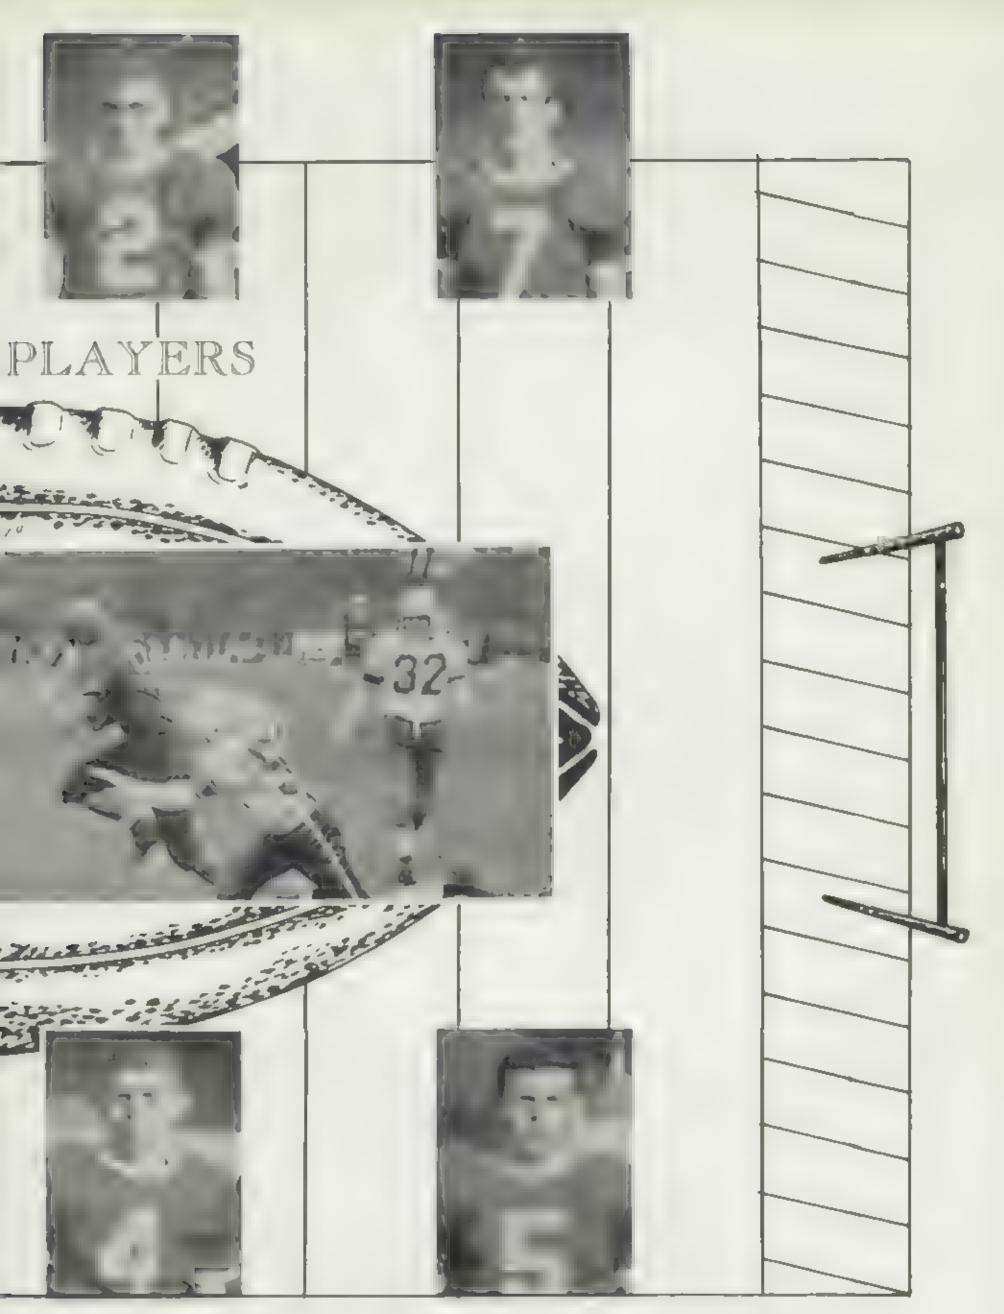

Each member of the team also belongs to the National Ritle Association and meets at least once a week (either Friday or Monday—or both) at the Vermont State Armory. Here, we fire our school targets under the expert direction of Ed Keenan, the prominent outdoor sportsman.

Returning lettermen are Laurette Dion, Monica Simon, Dave Mallory, Jimmy Lefebvre, and Pete Durochia; new members are Mike Allen, Bill Caputo, Bob Moisan, Bob Vondle, and Gary Wolf

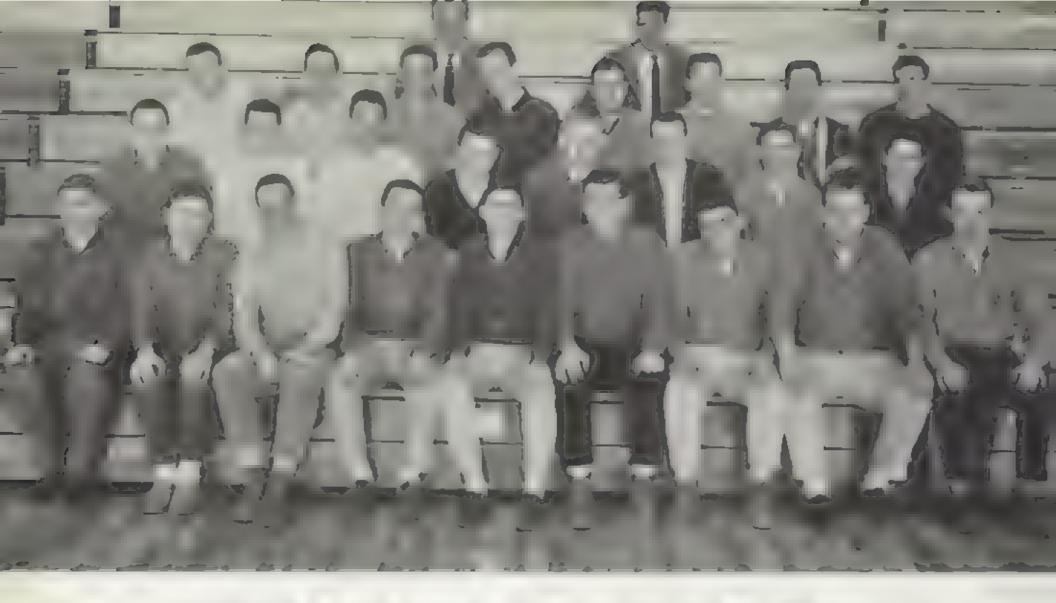

This year's record is not yet complete, but it promises to be a very successful one

The "Little Indians' led by Tom Perras, Bob Halpin, and Tom Gabbeitt improved steadily all year. Although they accounted for only one victory there were a few games that might have ended with Cathedral victories, but the breaks of the game were against us. Also, hampering the team were several injuries to key players.

Our most impressive game of the season was against our intra-city fival Burlington High. The game was one of the best of the season in the state. It was a thrilling contest with both teams playing up to par. The gate was decated by an extra point. We had a young team and look to a successful year in '59-'60 at Rice Memorial

You will soon find, if you haven't already, that your diploma is but a key to greater educational opportunities which will continue throughout your life. No intelligent person ever considers himself fully educated; rather, he looks on each day as a new opportunity to use what he knows in order to learn more.
